## Adult testimonials

### The Spoerr family –

Roger and I went into foster parenting because we felt the Lord gave us this home with empty rooms as our own children were grown, so we filled the rooms with the children he wanted in there. It's been a blessing with trials and pain, but all worth it. We thank him for this ministry and the blessings of it.

### The Stuart family –

This will be one of your greatest joys and greatest pains. We promise your life will be changed. We have food, water, a bed, a home, love and more. "If not me then who Lord?"

### The Starkey family –

Through the adoption of our son, God opened our eyes up to so much through this journey. Yes, it's a big step, but it's a step well worth it. You will never be the same and you will be forever grateful. Don't worry about the details, God provides for His purpose to be accomplished. We love our son more than we could have ever imagined and we are amazed how before time began, God knew the plans He had for our son, including him being adopted into our family as our son!

~ Matthew 18:5

### Goals...

1. To do what Jesus commands us to do. (1 John 3:17 & James 1:27)
2. To help show others they can do this too.
3. Love people “as is.”
4. Change the world with love. Be Jesus to them.

### Mission Statement

- We love God for sending His Son Jesus to pay for our sins.
- If we have God's love inside of us and see our brother in need, yet close our heart to him, then how does the love of God abide in us?
- To help a child or family change their life with the power of God's love. Then they will be able to help others change also and break the cycle.
- This will not grant us God's favor. It is a gift back to Him for what He did for us. **J.O.Y.**- Jesus, Others, You.
