OCTOBER NEWSLETTER

Monthly Scripture

Feed the hungry, and help those in trouble. Then your light will shine out from the darkness, and the darkness around you will be as bright as noon. Isaiah 58:10

Every year, October is Mission's Month at Bethel. We take 4 weeks and bring in different missionaries. Some could be local, others could be from another country. The purpose of this focused effort is to educate our people on the importance of Mission Work. All Christians are called to spread the gospel; some are local missionaries others are called to different countries.

Throughout the month. we will talk about Faith Promise. Faith Promise is making a commitment to support missions. This could be new to some of you. We believe for God's Kingdom to expand we need to support missions.

Pray for our college Students:

CHANGE IS IN THE AIR

This is the season of change. The season has transitioned from summer temperatures to the crisp temps of fall. Just watch the foliage change on the trees around our area. Beautiful colors will become the tapestry we behold during the next few weeks and then emptiness will set in. The trees will be blown free of their leaves and they will all look dead. They will go into dormancy for the winter in order to protect themselves and renew their energy to prepare for their fruit and growth in the spring. They slow down and rest for the winter.

Jeremiah the old testament prophet who was writing to the people of God in the southern kingdom of Judah about change. The people had grown cold in their relationship toward God. They embraced paganism and idolatry as a common way of life. God became their "911" call person when they were in trouble, but they wanted no relationship with Him.

Listen to Jeremiah 7:3, "The Lord God of Israel who rules over all says: Change the way you have been living and do what is right. If you do, I will allow you to continue to live in this land." We have a call from God and His Word to change the way we have been living. Our world is going through major adjustments and news ways of living.

Here are a few changes you can make during the fall and winter months. One, during the months of dormancy, renew your strength, health and spiritual walk with a step up in your Bible reading. Reading the Word is the essence of your spiritual health. Two, decide to pray deeply for a spiritual awakening and a revival. We need a movement of the Holy Spirit across America and the nations of the world. Finally, live right. Live Godly in every one of your decisions, actions, and choices. Nothing is a greater witness of the gospel of Jesus Christ than a changed life. God promises to bless our nation as we seek His face and practice our faith in truth. Spiritual change is undeniable.
